Two gins Under One Management

Their old gin has been moved to a convenient point in the
southwestern part of town and everything thoroughly over-
hauled. They are better prepared than ever to gin your cot-
ton, and respectfully solicit your patronage.

OUR COUNTY CAPITAL.

Some breezy Dots from Hallettsville.

On account of absence from home
your correspondent failed last week
to put in his appearance, but this
week it is once more unto the
breach dear friends.

News items hereabout are not very
plentiful.

County court for the term has
adjourned. Much business was
transacted and the jurors had no
reason to complain of not being
kept busy. The county was put to

the expense of only four dollars for
extra jurors.

Messrs. J. M. Smith of Seclusion,
Jim Hollub of Moravia, and Emil
Appelt of Hallettsville, were ap-
pointed jury commissioners to draw
juries for ensuing April and July
terms of county court.

District court commences two
weeks from to-day. The sheriff has
been kept pretty busy summoning
jurors and witnesses for same.
Frank Miller and O. S. East, two
of his deputies, have been sick for
ten days. Deputy Culpepper was

here from Shiner with a prisoner
Saturday.

Among the visitors here from
Shiner last week were Banker
Phillip Welhausen and Lawyer
Gray. Attorneys Blakeslee, Myers
and Ragsdale attended justices' court in Sweet Home, Saturday.

The court will doubtless soon be
removed to Shiner.

As per order of commissioners' court, the county convicts were last week put to work on the public roads. Some of them did not like the programme and went out between acts, but Deputy Sheriff Rahmann made their acquaintance and they are again in the toils.

There has been and is yet considerable sickness hereabouts. Justice of the Peace T. A. Hester is considerably under the weather yet.

A delegation of Sons of Hermann went from here to Hockburg today to assist in organizing a new lodge of said order there.

A petition has been sent from Moravia to J. M. Kirk, representative, requesting that he endeavor to have passed a general stock law similar to that now for sheep, hogs and goats.

Judge R. F. Skrehot has platted a town at Krajina and has sold a number of lots to parties here. The new town is about twenty miles south-east from here.

Judge Haidusek was here from LaGrange last week probating the will of his deceased brother-in-law, Mr. Baca, of Shiner vicinity.

Sheriff Houchins has purchased from H. T. and Robert Miller their stock of cattle at Seclusion, paying \$10 per head, their being about 800 head.

A number of parties are out now buying yearlings, which command a good price.

Mr. Jos Kopecky was here on some business last week. He has been appointed as school trustee in place of Mr. Jacob Strauss who has removed from the county.

Hallettsville furnished most of the chickens which won the big cooking main at Yoakum last week.

Mr. Jake Morris has retired from the broker business and opened up a nice saloon in the Rabb corner building. He opened up with free lunch, turkey, sausage, cheese, salads, etc., and beer, and had a big run the first day. The saloon business is overdone and no longer profitable, so say those engaged in the business.

A number of people will go from here to Houston on Wednesday to hear the lecture of the Hon. W. J. Bryan.

A full stock of perfumeries, brushes, toilet cases, combs, stationery, school books, fancy toilet articles and notions of all kinds at A. Grave's drug store.
